On May 31, 1978, sixty-seven young adults marched on the stage for the last time as a group. During our last four years, we have had a variety of experiences that we will never forget. It was time to say good-bye but our memories will always remain with us.

JUNIOR SKIT:
Laurie Trickle and Lisa White

An exciting week of Homecoming started off with a maroon and gold day, a T-shirt and jean day, and a clash day. To top off all this there was a 50's day. Many students stayed after school to help members of their class paint windows and later in the evenings they would all help on their floats. The Junior Class started off Thursday evening festivities with an exciting skit about "Star Wars!" Following the skit was a very successful bonfire built by the Senior members of the football team. All then gathered around the truck to see the crowning of the 1977 Homecoming King and Queen, Bob Schiffman and Cindy Ambort. The Junior and Senior Classes proved to be working the hardest as the Junior Class pulled in first place on their float and the Senior Class with their first place window.

FACULTY FLOAT:
1st Place—"We'll Teach 'Em A Lesson!"

Our Men- Henry Langkamp (51), Wayne Reynolds (11), Mick Schultz (38), Dan Vondran (63), John Patzner (21) fighting for the ball.

Friday Night, October 14, we found the Cassville Comets arriving in Potosi for an action-packed football game. Even though the final outcome showed the Chieftains behind 18-0 the scoreboard only showed who crossed the goal line the most times, not who gave it their best. "It's not who wins or loses that counts, it's how you play the game."

Eep and Eli in pursuit of a Cassville contender!

Too often personnel behind the scenes are not recognized---the people who keep the premises clean and in repair, the ones who prepare a tasty lunch for us every day, and the faithful drivers who transport us to and from school and to and from "away" activities. We do appreciate your services and are very grateful.

JOE PICKEL

In the summer of 1977 when Joe was swimming at Boice Creek, he dived off a bridge and broke his neck. Because of the quick thinking of Denice, Lori and Jeff Trickle, Wendy Pickel and Mike Reynolds, he survived. After spending a few months in Craig Institute in Colorado, he returned to Potosi. Joe and his electric wheelchair have become a familiar sight at PHS. He has shown us all what "real courage" is.

Take one dozen girls. Add a neverending amount of enthusiasm, and pep. Combine smiles, a bubbly personality and sportsmanship and add to other "ingredients."

Put in an action-packed place such as a football field or a basketball court. As a topping, pour on all the spirit possible and the result will be a very spirited group of individuals who help provide entertainment for the high school sporting events.
